

AIBATR

Afghan Investors and Businessman Association^{TR}

About AIBATR

Founded in 2024 and registered with the Ministry of Justice in Turkey, the Afghan Investors and Businessmen Association is an association of future vision entrepreneurs committed to the future of Afghanistan. With a leadership team of eight dedicated board members, led by HE Mr. Ehsanullah Kamawal, and a robust membership of 250 investors and business professionals, our mission is clear: to encourage Afghan business leaders in Turkey to return to their homeland and invest their capital in rebuilding Afghanistan. We believe in the power of collaboration and the potential for prosperity when Afghans come together to contribute to the nation's economic revival.

Our Vision

To be the premier conduit for fostering robust and sustainable business relationships between Afghanistan and Turkey, driving mutual economic growth, innovation, and prosperity while empowering Afghan entrepreneurs to excel in a global marketplace.

Our Mission

Our mission is to facilitate and enhance business connections between Afghanistan and Turkey by providing comprehensive support information resources, commercial and business interests, networking opportunities and other benefits to members. We are dedicated to helping Afghan businessmen and investors establish and expand their operations, navigate challenges, and seize new opportunities through collaboration, advocacy, and strategic partnerships. We aim to create a dynamic environment where businesses of both nations can thrive and contribute to shared economic success.

CM'S Message

As the Head of the Afghanistan Investors and Businessman Association in Turkey, it is my honor to welcome you to our platform. Our association stands as a bridge between Afghanistan and Turkey, fostering business relationships that contribute to the prosperity of both nations. We are committed to supporting Afghan businessmen, whether you are establishing your presence in Turkey or expanding your operations in Afghanistan. Together, we can unlock opportunities, overcome challenges, and build a future where our enterprises thrive.
